SANDBOARDING

At the desert, experience the real adventure as you tackle the sloping sands of the desert by dune bashing if the Red Dune Safari is selected. Just after you recover from the excitement of dune bashing, you'll get a chance to conquer the steepest slopes like a warrior by sandboarding.

AUTHENTIC CAMEL RIDE

Enjoy a sedate camel safari out into the desert, and capture the views on camera as the setting sun sinks behind the rolling dunes.

TRADITIONAL DINNER & STARGAZING

A 3-course dinner with Emirati, Moroccan, & Arabian dishes catered by Al Khayma Restaurant is all that you need to feast your palate. The delicious dinner, catered by the Michelin BiB-rated restaurant, is sure to remind you of the good times in the camp later.

Observe the millions of stars with an enchanting stargazing session with a high-power telescope to enlighten your evening before wrapping up the day. (Only Evening time slots)
